Limetree Bay Terminal (LBT) Project Update – (Item Includes Pre-Decisional Information): Region 2 continues to support USVI efforts to reinvigorate its long-idled refinery as a significant job creator for the territory. On 1/11/18 an internal conference call among the various EPA offices (Region 2, OGC, and OAQPS) was held to discuss the outstanding air permitting issues related to the LBT project. Deliberative Process / Ex. 5
